

Description du site web Procycling

o Quel type d'entreprise de service avez-vous choisi et pourquoi ?

J'ai choisi de créer un site web spécialiser dans la vente et la maintenance de vélo en fibre de carbone parceque je suis un grand amateur de vélo simplement

o Quel outil de maquette avez-vous utilisé ?

J'ai utilisé moqups cette outils permet d'utiliser de nombreuses interactions afin de simuler des situations similaire lors de l'utilisation du siteweb codé exemple : click event. On peut également partager la maquette avec des utilisateurs externes au projet afin qu'il puisse tester le fonctionnement future du siteweb

o Quel site Web vous a inspiré ?

Je me suis inspirer de bicyclesquilicot <https://www.bicyclesquilicot.com/fr/>

o Comment voyez-vous la navigation effectuée sur votre site ? Expliquez la navigation du scénarimage

J'ai prévue l'utilisation d'une navigation reposant sur le click des liens dans la fixed navbar. L'utilisateur pourra ainsi accéder à l'ensemble des options de navigations depuis un seul emplacement. Sur les différentes pages comme celle des services l'utilisateur pourra cliquer sur le service désirer afin d'être diriger vers la page de booking appointment et une fois le processus de booking complété l'utilisateur sera rediriger vers la page de confirmation du booking

This website is for a store dedicated on sale / maintenance of all types of carbon fiber bikes.
